

HOME OF THE WORLD'S
WORST WEATHER®

CORPORATE SPONSORS PACKAGE

For 90 years, Mount Washington Observatory has stood for groundbreaking research, outstanding service to its community, and perseverance amidst the world's worst weather.

Align your brand with our mission in weather and climate science.

All sponsorships are featured in our monthly digital newsletter, website, social media, and three editions of our magazine, *Windswept*. Our corporate sponsors receive all member benefits and use of our logo and images. Most hold unique benefits beyond this package.
